The Cincinnati Erquirer, Demouratio does not take much stock in Mr. Bayard's

It was not thought a wise political move for Mr. Cleveland, the Democratic Presi- Men's Society; George W. Deasy, Vice dent, and Mr. Davis, the ex-Democratic Presiden of the Irish Independents and President, to hob-nob n Atlanta, but from candidate for Judge of the Superior Court the Atlanta Journal it appears that al- on the Labor ticker; Edward St. Clair though not present the latter was by no Pillsworth, of Boston; Colonel Richard C. means forgotten. It says:

means forgotten. It says:

"At No. 12 Wheat street floats once
more to the breeze the red, white and red,
with the thirteen stars, the sublems of the
dead Confederacy: Some kind hand decorated the picture of the chieftain, Hon.
Jefterson Davis, with Confederate colors.
Old soldiers, when they pass, take off their
bats, and in their hearts all Southerners do
him reverence."

Enright, of the Irish Brigade, and Capt.
Patrick J. Colemar, of the Sixty-ninth
Regiment.

The Baltimore Election.

The Commercial declares that THE
Ward's reference to the corrup ion fund
in the Baltimore election was "simply editotal freth" and int mates that the elec-

The grand evation given the mere men-tion of Mr. Blaine's name in the Republi-the Democrats. It is a favorite doige for can ratification meeting in Boston is a the Democratic organs to try and distract heavy dose of gall and wormwood for the public attention in cases of this k.nd by Mugwump sheets that have so persistent insisting that all charges of fraud are the ly sought to instill at least a portion of work of Republican parers for partisan their violetive hatred into the public purposes Unfortunately, however, this

Transcript says:

The cheers for James G. Blaine at the for the report that a corruption fund of Republican meeting Monday dight show, it must be concered, that his hold upon the narty in Massachusetts has not been weakened by the events of the past three years.

The Democratic Boston Post is authority for the report that a corruption fund of \$100,000 was poured into the Batlayore and other thing friends of law and order. Editorially the same paper says:

refrain from placing a large share of the of reform from the use of their customary responsibility for the overthrow of the methods. reform movement where it justly belongs, honest reformer he was pairted we now Under this caption its report says:

The Executive Committee of the Council ville, Ohio; George A. Newsan, Cedar Falls, Iowa; James H. Drake, St. Paul; J. S. Clarkson, Omaha; George C. Ginty, ctal.
Chippewa Falls, Wis. The Pension Committee will be composed of George'S. Merrill, Lawrence, Mass.; Louis Wagner, Philadelphia; James Tanner, Brooklyn; John S. Kountz, Toledo, Ohio; John W.

w many prominent Democrats will have safe to stand in the dock as criminals, and dedefies public opinion and prevents their punishment for crimes committed. Others still in Cincinnati hope to escape punishment for precisely similar offences, and are shielded by the influence of the Administration. In New Jersey there is another batch of Democratic jail-birds, and it is an open secret that prominent Democrats would have found their way to the penitentiary had not politicians consented during the Senatorial struggle to refrain further allusions to that great man's hisfrom prosecution. As for Maryland, the tory. It is discreditable that an Illinois revolt of prominent Democrats supplies all newspaper should exhibit such gross gthe evidence that can be desired respecting the conduct of Democratic officials in that

Mr. Vilns has run the postal service as a President of the United States, the greater mere political machine without regard to capacity and fitness he will manifest in the the proper and prompt transmission of the discharge of the duties of that office. The mails continue to pour in from all sides.

The Providence Journal, a paper that of boom Mr. Cleveland.

denly raised to the Presidency from characteristic felency of the sultry postal service are growing louder every day, and are heard now from almost every section of the country. When Postmasier General Vilas assumed control of the Postal of the postal of the world; it had elicted the admiration of not a few postal officials in Ergiand and on the Continent. At first it was thought that Mr. Vilas might be be able to keep up the high standard set by his predecessor; for at once on assuming office he issued a letter to the railway postal clerks, declaring that none of them should be dismissed for political causes. This action, however, proved to be only a pretence of civil service reform. Step by step, in violation of his own promise, he has prosecuted the work of removal until now; of the original force under employment on the 4th of March, 1885, hardly a fourth part remains. It is stated, too, that inceteen-twentieths of those discharged were frackly told that their removal was owing to political considerations. So large an infusion of insured the service; and aside from that, the service from the service is an active part in political. His party was the minority party work.

As our Democratic friends have becret

fore professed so much admirat on for the

How the roses lade rom the Cereland scure man, as Mr. Cleveland was up to Administration! A Washington correct the time he was from nate. for Governor spondent, who has been delving in Confed of New York. Mr. Lincolly was a recogerate lore, says that Jeff Davis originated nized leads that in the Whig party of the phrase, "a public office is a public of the Republican party.) In his first inaugural as president He was a proling it lawyer of the State. of the Confederacy. If this is so, Grover practioning in all the courts. He had a Cleveland is as anoth at home n approprilarge acquairance and correspondence ating Confederate iterature as he contents with prominite public med. He was in ding his speeches.

At the reception tendered by the Ir sh-

chair, and in a eulogistic speech introduced does not take much savek in art. Buyards administration of the State Department. It says:

Mr. Bayard is tenrully apologetic about the Sitka seizures, and gelakinous as to his backbone about the Canadian seizures.

Among those who replied to tonats were thrown Mr. Bayard is tearfully apologetic about the Sitka selzures, and gelatinous as to his backbone about the Canadian seizures. But let ue wait and see the Lth Congress make mluce-ment of the Fisheries Commission! We have bowed down to Great Britain long enough. It is time for a square settlement. Veterane, Frank Byrne, Capt. Edward O'Meagher Condon, of the Irish World, Bracton, President of the Dublin Enright, of the Irish Brigade, and Capt.

total freth" and int mates that the elec mind. With tears in its eyes the Boston old-timer will not do in the Baltimore case. The Democratic Bozton Post is authority

oned by the events of the past three years, order. Editorially the same paper says:

If these Mugwump editors will only look about them they will find that the same is true of all parts of the country.

The efforts of the so called reform organs to express their condemnation of the Baltimore election and at the same time refrain from placing a large share of the

The New York World, the leading Dem namely, upon the shoulders of President occutic paper in the country, headed its re-Cleveland, are truly amusing. A word port of the election: "Gorman rules the from him at any time during the contest roost; his Baltimore henchmen count in would have been sufficient to have blocked their candidates; they succeed by the aid the path of the Gormanites, but that of negro repeaters and other fraudu ent word was not only not forth-coming, but ways to return as e ected ex-Mayor Laon the other hand he heartily cooperated trobe and other nom nations of the ring; with the corruptionists. Instead of the repeating the frauds of former years.

honest reformer he was pairted we now find bling in his true colors as a petty political schemer. The Mugwamp sheets try to cover these defects, but it is a hopeless task.

A despetch from Minneapolis says Ceneral Order No. 2, issued from the Grand Army Headquarters, announces the following additional staff appointments: Iuspector General, Ira M. Heages of Haverstraw, N. Y. Assistant Adjutant General, Robert Strutton, Minneapolis; Senigr Akle-decamp, Ross R. Henderson, Minneapolis; The Expetitive Committee of the Compelliant of the Committee of the Commelliant of the Commellia

No one doubts the readiness of the Commercial to accept the fruits of such a vicof Administration will consist of William tory, but in view of this damaging evi-M. McClellan, Pittsburg, Pa.; R. T. Wilson, Chicago; Frederick C. Deltz, Zanes-than itself, its effort to make it appear that the Baltimore Democrats elected their candidates fairly is a lly even for the Commer-

# Is this the Famous Dolphin?

in His Race Against Jake Gan- will probably not cover the loss.

LAKE MARANACOOK, Oct. 27. After the pustponement of the race Thursday, betting was lively, and during the evening at the hotel, on the streets and everywhere, the race was the one great topic of conversation. Some thought it might bare been rowed, for all the condition of the water, while others considered the obtunnel. No one was awakened by the explosion. Lamps were carried to the adjections offered as perfectly reasonable and right. People were up late discussto prevent unnecessary noise from the ing the matter, taking a peep at the weather before retiring, wondering if the weather would permit the great race to is believed that the thieves were the same cur to-norrow, as intended. gang who committed the recent burglaries

Friday morning dawned quite promising, although a slight baze was over the sky which partially disappeared as the sun rose to dispel it. People were astir early, inquiring if the race was to take place, and before the clock the town was four citizens of Wells figured conspicuousager and anxious to know the ideas of the narsmen concerning it. Soon a rumor presed from one to another that it was to named Hilton have been in disagreement occur at once o'clock. The whistic of the for several months past. One day this steamers at the whatves, and the hustle about the streets, indicated that the movement was toward the race course. (in activing at the lake it was found that

There were present District Secretary Charles E. Wheeler, of Chesterville; Treasurer George H. Pratt and Vice Templar Mrs. M. D. Jacobs, New Smeyard; Grand Councellor . H. Hamdon. Matawamkeag and Grand Treasmer Everett B. Norton, of Farmington, Martins of interest to the order were discussed and a tour through the county; mapped out for the Grand Councillor. who will visit and inspect all lodges in the county and institute new lodges. The District Ladge will meet in Vilton Nov.

Buildings Burned, Probably by Tramps. Hot 170N, Oct. 28. The fire buildings of Ames Cook, a mile and a half east of the village, with forty tons of hay, six hundred bushels of pats, farming tools, six rows and fourteen cords of prepared wood, we burned at one o'clock this morning. The carriages, horses and colts were saved with difficulty. There was no great supply of water, and the fire department could do nothing. The fire was probably couled by tramps gaining an entrance for a hight lodging, and smoking. Loss we read \$3,000; partially insured at Donnell's agency. He lost his buildings on the same
